## A.      SPECIAL CALENDAR

### 1.      RACIAL & SOCIAL EQUITY TRAINING
The Bay Area Regional Health Inequities Initiative (BARHII) will lead a one-day **Racial and Social Equity foundations training** for the Commissions. The Department's Racial & Social Equity Initiative included training for all staff. Commissioners will review core equity concepts and broadly discuss how the Historic Preservation Commission and the Planning Commission can more effectively communicate and advance equity to create opportunity for all San Franciscans through the use of shared language, the understanding of historical context, bias, and individual, institutional, and structural racism, and the application of a Racial and Social Equity Assessment Tool to relevant Commission decisions. All City Departments are undertaking similar efforts and participating in the Government Alliance on Race and Equity (GARE) through the newly created SF Office of Racial Equity under the SF Human Rights Commission.
